## 3-Pocket Balloon Caddy

Conwin's Balloon Caddy provides an instant workstation around the cylinder.

Three-Pocket Caddy holds balloons, weights, ribbon, discs, etc. Durable mesh pockets.

1. Wrap Velcro® belt around cylinder and insert belt through buckle.

2. Position pockets around cylinder. Tighten and fasten Velcro® belt.

3. Fill pockets with Balloons, Weights, Tying Discs, etc.

## Grip-It

Clamp Grip-It balloon holder to counter top. Spring holds string or ribbon. Ideal for on-the-job decorating or at a workstation.

**Clamp Grip-It #32190**

**Counter Mount Grip-It #32180**

1. Clamp the Grip-It Balloon Holder to any convenient counter top.

2. Slide the ribbon sideways into the spring coil.

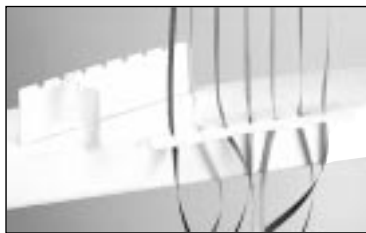

3. Half twist the ribbon and press it firmly into the spring coil. This insures firm spring grip on ribbon.

## Grip-Strip

Sturdy six-inch plastic strip grips balloon ribbon. Adhesive backing allows for quick positioning. Perfect for on-the-job decorating and point-of-purchase displays. Customers can easily select and remove balloons without disturbing display.
